附件：如文

主旨：CAFEO 第 36 屆會議訂於本(107)年 11 月 12-16 日假新加坡舉行，為促進國際間交流合作暨加強國際關係，敬邀踴躍報名參加本學會籌組之代表團，共襄盛舉。

說明：

- 一、CAFEO 會議是由東協工程組織聯盟 (ASEAN Federation of Engineering Organisations, AFEO) 的 10 個會員輪流舉辦，為工程界參與東南亞國協的重要管道。本屆會議由新加坡工程師學會主辦，會議主題為“工程軌道連結”及“促進優良工程教育”，本學會之活動註冊費用享贊助會員價新加坡幣 590 元 (需外加 41.3 稅金，總金額為新加坡幣 631.3 元)。
- 二、本次代表團由本學會中華台北亞太工程師監督委員會李建中主任委員率團前往出席，為提昇我國與國際工程專業組織之交流並促進各項合作關係，並進一步拓展我國工程產業之國際能見度，敬邀出席旨揭活動。費用自籌。
- 三、隨函檢附活動說明，活動官網：<https://cafeo36.com/>，報名請洽本學會承辦人梁小姐，俾利安排組團相關事宜。

# 36TH CONFERENCE OF THE ASEAN FEDERATION OF ENGINEERING ORGANISATIONS (CAFEO 36)

Engineering Rail Connectivity & Fostering  
Excellence in Engineering Education

**12-14 NOVEMBER 2018**

Resorts World Sentosa Convention Centre,  
Singapore

Organised By

In Association with

SRTE Co-organised with

AEDS Co-organised with

AFEO Member Organisations

[www.cafeo36.com](http://www.cafeo36.com)

# Bringing ASEAN's engineering community together for **36** years

**CAFEO 36 is the ideal gateway to develop business and network in the ASEAN region with participation from around 1,000 engineering professionals, rail owners and operators, engineering deans, academics, leaders of accreditation bodies and industry & solutions providers from about 30 countries.**

Hosted by the Institution of Engineers, Singapore (IES), this will be an event with added significance as it coincides with Singapore's Chairmanship of ASEAN 2016. In alignment to the Master Plan on ASEAN Connectivity 2025 by ASEAN leaders in September 2016, the conference will convene engineering professionals in ASEAN to exchange knowledge, share ideas and jointly develop solutions for problems through the conference, conference programme and exhibitions, under the theme:

**Engineering Rail Connectivity** - CAFEO 36 will provide a focal point for discussion on pertinent issues and trends that are impacting rail engineering in the region and beyond.  
**Fostering Excellence in Engineering Education** - CAFEO 36 will facilitate the design and delivery of top-quality educational programmes and nurture not just knowledgeable and multi-disciplinary engineers, but also deeply-skilled engineers and technicians.

The support of the event includes IES has joined forces with SMRT Corporation and the Singapore University of Technology and Design (SUTD) to organise the Singapore Rail Technology Conference (SRTC) and ASEAN Engineering Deans Summit (AEDS).

## **Singapore Rail Technology Conference (SRTC)**

### *Engineering Rail Connectivity*

The Singapore Rail Technology Conference is a point of confluence for operators, regulators, industry partners, and academia to network and share about projects, technologies, ideas, and best practices around the ASEAN region. The rapid development of railway networks in the ASEAN region, enabling the large scale movement of people and goods, is expected to supercharge the region's economic growth. Rail investments in the region span both green and brown field activities, and range from the building of high speed rail networks, new regional and inter-city links, to the renewal and rejuvenation of established metro lines.

#### **Topics**

- ASEAN Country Updates
- High Speed Rail
- Urban Mobility
- Railway Projects
- Railway Technology

Each conference will feature keynotes, case study presentations and panel discussions with Q&A on lessons, challenges and opportunities in these fields. Information and insights will be drawn primarily from local and international case studies with a focus on practical solutions.

Alongside the conference, CAFEO 36 will also comprise of awards presentations, technical visits, Women Engineer and Young Engineer activities, post event workshops and a range of social programmes.

## **ASEAN Engineering Deans Summit (AEDS)**

### *Fostering Excellence in Engineering Education*

In the wake of the global changes that are re-shaping engineering education, the focus must be on quality and excellence in designing and delivering educational programs. Engineering education has been evolving from knowledge-based to skills-based, where emphasis is heavily placed on the outcomes of the educational program in shaping not only the knowledge, but also the skills and attributes of its graduates to prepare them to be future ready for the 21<sup>st</sup> century challenges. This inaugural summit will focus on outcomes-based engineering education and accreditation and new pedagogies and will bring together engineering deans, academicians and leaders of accreditation bodies to deliberate on important issues and trends impacting engineering education within the region and beyond.

#### **Topics**

- Engineering Education for 21<sup>st</sup> Century
- Progress of Engineering Education in ASEAN Countries
- Importance and Opportunities for International Collaboration
- Quality Assurance of Engineering Education
- Transformation of Engineering Education

## Why Attend

- ✦ **Unique Networking Platform** - Meet and interact with engineering professionals across the entire engineering value chain from across ASEAN.
- ✦ **Educational Opportunities** - Engage in high-calibre discussions with a qualified and targeted group of policymakers, decision-makers and influencers involved in rail and engineering education.
- ✦ **Valuable Partnership Experience** - Through its affiliation with the ASEAN Federation of Engineering Organisations (AFEO) and the Federation of Engineering Institutions of Asia and Pacific (FEIAP), CAFE 36 enjoys unique support from key regional and local government agencies and engineering institutions from close to 30 countries. The event draws on this strong partnership to bring key opinion leaders and government decision-makers together.
- ✦ **Optimise your Engagement and Experience**  
Build your brand, generate leads and expand market share through CAFE 36. Showcase your latest innovative solutions and network with customers and prospects in a targeted environment. Tailored opportunities can also be created and customised to meet varied marketing objectives.

## Who Should Attend

Governments

Engineering  
Organisations

Rail Owners  
and Operators

Engineering  
Deans

Accreditation  
Bodies

Academics

Industry and  
Solution Providers

## Who Should Exhibit

The exhibition is open to all companies with products, services and solutions related to the engineering sector, in particular, the following areas:

### Rail Engineering

- Asset Management
- Communications & Network
- Construction Engineering
- Consultants
- Design
- Financing
- Information Technologies
- Infrastructure
- Legal
- Operations & Maintenance
- Payment & Ticketing
- Power Systems & Distribution

### Rail Components

- Rolling Stock
- Safety & Security
- Signalling
- Systems
- Traffic Control
- Testing & Certification

### Engineering Education

- Education Providers
- Technology-enabled Learning Providers

## Exhibitor Pricing

Package Type	Price
Platinum Sponsor (Exclusive)	SGD 50,000
Gold Sponsor	SGD 30,000
Silver Sponsor	SGD 15,000
Bronze Sponsor	SGD 5,400

\*Visit the website for details of other available sponsorship opportunities

## Delegate Pricing

Ticket Type	Price	Early Bird (closes 30 September)
Standard	SGD 660	SGD 590
Members of IES	SGD 590	-
Members of Supporting Organisations	SGD 590	-
Members of AFEO	SGD 140	-
Young Engineers of AFEO	SGD 80	-
Spouse of AFEO Member	SGD 140	-

Ticket includes access to conference sessions, exhibition, side events, lunch, welcome reception, farewell banquet and various CAFEO programmes. Visit the website for more details on pricing and registration.

## Venue

CAFEO 36 proudly presents Resorts World Sentosa (RWS) as the event venue. RWS is Asia's ultimate lifestyle destination resort and home to world-class attractions including Universal Studios Singapore, S.E.A. Aquarium, the Maritime Experiential Museum, Dolphin Island and Adventure Cove Waterpark. Other attractions include the Asian flagship of a world-renowned destination spa, a casino, six unique hotels and the Resorts World Convention Centre.
